

## HOSPITALITY

**Hospitality** kicks into action once notified about an LGA member who undergoes an operation, has an illness or death of an immediate family member.

It is the responsibility of the LGA membership to inform the current Hospitality Chair of any of the above-mentioned situations so an appropriate card may be sent.

To notify the Hospitality Chair of a member's circumstances you will find their name and contact information on the **LGA Board and Committees** list located on our LGA homepage found inside the password protected POA website ([www.stjamespoanc.org](http://www.stjamespoanc.org)).
